SECTION 4. First Aid Measures

General Advice: Consult a physician. Show this safety data sheet to the doctor in attendance. Move out of dangerous area.

If Inhaled: Move to fresh air, if not breathing give artificial respiration.

In case of skin contact: Wash off with soap and water.

In case of eye contact: Flush eye with water.

If swallowed: Rinse mouth with water.

Most important symptoms and effects, both acute and delayed: Most important known symptoms and effects are described in section 2.

Notes to physician: No information available.

SECTION 5. Fire Fighting Measures

Suitable extinguishing media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Specific hazards during fire-fighting: Hydrogen chloride gas, calcium oxide

SECTION 7. Handling and Storage

Advice on protection against fire and explosion: Normal measures for preventative fire protection.

Advice on safe handling: Wear appropriate personal protective equipment.

Conditions for safe storage: Keep container tightly closed in a dry and well-ventilated place.

SECTION 8. Exposure Controls/Personal Protection

Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

Personal Protective Equipment

Hand Protection Material: Protective gloves.

Remarks: The choice of an appropriate glove does not only depend on its material but also on other quality features and is different from one producer to the other. Take note of the information given by the producer concerning permeability and break through times, and of special workplace conditions (mechanical strain, duration of contact).

Eye Protection: Tightly fitting safety goggles. Wear face-shield and protective suit for abnormal processing problems. Do not wear contact lenses.
Ensure that eyewash stations and safety showers are close to the workstation location.

Skin and Body Protection: Choose body protection according to the amount and concentration of the dangerous substance at the work place. Footwear protecting against chemicals.

Hygiene Measures: Keep away from food and drink. Wash hands before breaks and at the end of workday. When using do not eat, drink or smoke.
